

Terms and Conditions of Financial Aid

By accepting your aid, you are agreeing to the following:

- ✓ I agree to use the Financial Aid self-service functionality and accept/decline my aid electronically. If you do not agree, please contact us regarding alternative methods of communication. If you do agree, you can rescind your permission at any time by contacting us.
- ✓ I understand I may receive aid from only one school each semester/term and accepting my BSU aid means I am not receiving aid for attendance at any other school for that same time period.
- ✓ I have read and I understand the requirements and the conditions applying to financial aid as stated on this award notice and in the **Financial Aid Handbook** (<http://financialaid.boisestate.edu/forms/AidHandbook.pdf>).
- ✓ I understand that I must report any additional aid not shown on my award notice. I understand that my aid may be adjusted if additional aid exceeds my demonstrated financial need or my cost of attendance.
- ✓ If I have been awarded and I have accepted work-study and work during breaks, I certify that I will enroll in the semester following that break.
- ✓ I understand that once I enroll in classes I am responsible for canceling my registration if I choose not to attend Boise State. I understand that I will be responsible for any charges made to my account if I fail to cancel my registration. I understand if I completely withdraw from the semester, I may be required to repay all, or a portion, of the aid disbursed to my account (see **Financial Aid Handbook** <http://financialaid.boisestate.edu/forms/AidHandbook.pdf>). If I drop below 6 credits (undergraduate student) or 5 credits (graduate student) during the refund period and have any Direct Loan funds, I understand any refund may be applied to the Direct Loan and the Direct Loan Servicer will be notified of my less than half time student status.
- ✓ I understand that my Pell Grant, ACG and SMART grant awards will be based on the number of credits for which I am enrolled as of the 10th day of fall/spring semester (the last day to add classes). When I add or drop classes during the first ten days of the semester, my Pell Grant will be recalculated. During this period, I have the responsibility of reviewing my account on BroncoWeb to see if I owe a repayment of a Pell (when classes are dropped), or owe additional fees (when classes are added). Allow up to three days for Pell adjustments to appear on your account. (Please note - the 10th day policy does not apply to students who completely withdraw from the semester.) In restricted cases, a Pell Grant is based on enrollment as of the day Boise State receives the results of an application for financial aid.
- ✓ I understand that if I accept a Boise State Scholarship, relevant information may be released to the Boise State University Foundation, scholarship donors, and/or the news media.
