About the Scholarship

The International Student Waiver is a tuition assistance program for outstanding international students who demonstrate academic achievement and a commitment to being involved at Boise State University. The scholarship waives the non-resident portion of Boise State University tuition. You are still responsible for in-state fees (currently \$2,783 for the 2012 Spring semester). This scholarship is awarded for one year only. Please review Boise State University scholarship policies (<http://financialaid.boisestate.edu/scholarships/>) for additional information.

Selection Criteria

Responses to the questions should reflect a level of critical thought and introspection on the part of the student. Applicants must respond to all of the questions and follow the application guidelines.

Eligibility for Scholarship Consideration

- You must have successfully completed (by the end of the current semester) one year (two semesters and a minimum of 24 credits) of full-time coursework at Boise State University. Courses that are repeated within the same academic year do not count towards meeting the credit completion requirement.
- You must be on an F-1 student visa.
- You must have a minimum cumulative GPA of 3.00 or higher.
- You must be making satisfactory academic progress toward a degree at Boise State.
- Recipients cannot major in over enrolled programs; these currently include nursing, pre-nursing, radiologic sciences or pre-radiologic sciences. Programs are subject to change.
- Self-supported online programs are also closed to nonresident tuition waiver eligibility.
- You must not have already been awarded a tuition fee waiver for the 2012-13 academic year.
