Apply now for Caldwell P.E.O. Scholarship

A scholarship for the amount of $600 is available to young women who will be graduating this spring or who are graduates of Caldwell or Vallivue School Districts and who will be attending a 4 year Idaho college or university in the fall.

Caldwell Chapter AU of the International P.E.O. Sisterhood annually awards this scholarship to a local graduate. It is based on academic achievement, community involvement, educational goals, and financial situation, according to Fran Woodhead, who is overseeing the application process.

Applications can be obtained from the high school counselors or from the financial aid offices at the colleges or universities. The application is due on or before April 7th.

P.E.O. is an international women’s organization committed to providing women increased opportunities in higher education. Organized in 1869 as a college sorority, it later became a community organization for women interested in educational and philanthropic projects.

Applications should be submitted to:

Fran Woodhead
15465 David St.
