General Information
The Eastern Washington Section of the Society of Women Engineers (www.eastwashingtonswe.org) administers a $1,000 scholarship funded by AREVA NP Inc. (www.us.areva.com). AREVA NP created this scholarship to help ease the shortage of engineers. The scholarship is awarded annually to a qualified engineering student in the rising-sophomore or above classification in engineering fields.

Eligibility
- Be a student who has completed at least one year of studies in an accredited school with an intention to enter any engineering field.
- Satisfactory completion of a minimum of one year of full time equivalent engineering credits at an ABET accredited school.
- Be in a position to accept the scholarship toward undergraduate or graduate engineering studies in an accredited school in the Fall semester following presentation of the award.
- Attend an engineering school in one of the following states: Washington, Oregon, or Idaho.

Application Forms
Official scholarship forms from the Eastern Washington Section of the Society of Women Engineers are mailed annually to the student section and/or the Dean of Engineering and Financial Aid offices of schools in the Northwestern United States. Use of copies or reproductions is permitted. Additional application forms may be requested directly from:

Ann Langevin
EWS-AREVA Scholarship Chair
EWS Society of Women Engineers
PO Box 364, Richland, WA 99352
Langevin2@charter.net

Required Application Materials
All application materials will become the property of the Eastern Washington Section of the Society of Women Engineers. No application materials will be returned. In order to be accepted for judging, all of the following materials must be submitted:

- Application Form Eastern Washington Section of the Society of Women Engineers – AREVA NP Scholarship Application Form.
- Transcripts: Official copy of applicant’s transcript showing grades for the entire enrollment in current and/or prior college(s).
- Letters of Reference:
  1. From the Engineering Department Head, a professor, or a faculty counselor.
  2. From an individual who has personally known the applicant for a minimum of three years and who is not a relative to the applicant.

Evaluation and Award
Individuals working towards an undergraduate or graduate degree in any engineering field are eligible. All other factors being equal, preference will be given to an Eastern Washington resident. Financial need and academic successes will be considered, but will not be a final, determining criteria.

AREVA NP and SWE will treat applicant information as confidential and use it only for the purposes of scholarship consideration. At the end of the process, we will destroy the information and retain no copies.
